Welcome back to the new school year and a special welcome to those students, parents and staff who are joining us for the first time. On the staff front Ms Butler (Assistant Principal) and Ms Sciacca are joining us for the first time with Ms Bell and Ms Pinhey returning to Summer Hill PS.

We are all in the process of settling in to routine. Typically there are a range of organisational activities that we all have to attend to so please read through the newsletter and any notes that may go home. The music and sport programs will be getting underway early in the term. There will be cricket trials beginning on Friday 1 February for those students in Years 4 to 6 who may be interested. On Thursday 14 February there will be the School Swimming Carnival. It will mainly involve students from Years 3 to 6 with some Year 2 students.

Our students are looking very good in their school uniforms and it is good to see the school hats are being worn. Although we have plenty of shade it is important that all students wear their school hats while they are outside.

Details of meet the teacher evenings will be sent out very soon. Please keep Tuesday 19th February aside if you wish to attend.

We are looking forward to a productive year.

Greg McLachlan

SECURE INTERNET ACCESS AND EMAIL

Students are provided with an Internet and email account to enable learning opportunities in a protected and secure environment. Students must abide by the school’s policy when using the Department of Education and Communities (DEC) Internet and email services.

Parents will need to inform the school in writing if they do not want their child to have access to the NSW DEC Internet and email facility.

ALLERGIES TO PEANUT PRODUCTS

A number of our students have serious allergies to nuts and nut products. In response to this situation, the P&C and canteen management have agreed to take peanut butter and nut products off the canteen menu. Parents are requested to avoid sending peanut products to school with their children so that other students cannot be accidentally contaminated.

PHOTOGRAPHS AT SCHOOL

Taking photographs of students can constitute a collection of their personal information. Occasionally photographs are taken of individual students and classes of students at school.

Parents will need to inform the school in writing if they do not wish their child to be photographed under any circumstances.

EMAILING THE NEWSLETTER

We are trying to create a paperless newsletter at Summer Hill Public School by distributing the weekly newsletter via email. In order to achieve this we must have our records up to date with your email address. If we do not have your email address, please send a request to summerhill-p.school@det.nsw.edu.au.

You will continue receiving a hard copy of the newsletter until we have completed updating our records. Once this has been done the newsletter will be sent out electronically. Thank you.

Poppy Krilis (Newsletter Editor)

CHESS COACHING

Chess coaching for students at Summer Hill Public School is held on **Tuesday, Wednesday and Thursday mornings** from **8.00am – 8.45am** in the library. Term 1 lessons will commence on **5th February, 2013** and it is never too late to join! Learning and playing chess helps children develop their logical thinking and problem solving skills, improves their concentration and focus, while also being a great source of enjoyment. Activities include group lessons on an interactive whiteboard, puzzle solving and a weekly fun tournament. Students earn merit awards by making checkmates, or by displaying skills and positive qualities, which all good chess players strive to develop.

If your child is interested in taking part, you can either pick up an enrolment form from the chess coach at the start of the lesson, or email enrol@sydneyacademyofchess.com.au for a copy. For all enquiries, please contact Sydney Academy of Chess on (02) 9745 1170.

THE SUMMER HILL ITALIAN PROGRAM

The Summer Hill Italian Program (SHIP) will commence on Wednesday February 6th (8.00-9.00 a.m.) in the two classrooms just inside the Junction Rd gate. If you have a confirmed space in the program please just show up with your child on 6th at 8.00 a.m. SHIP caters for all ages in two groups, K-3 and Yr 2-6, and classes are taught by two qualified native Italian speaking teachers. Each class also has at least one experienced parent helper. It is not-for-profit and any money earned goes back into the running of the program or to the school. For the 4th year in a row, the price remains at $90 per Term. If you would like to find out more about SHIP and availability of space, please email Susan Terravecchia on sterravecchia@hotmail.com.
