FROM THE PRINCIPAL’S OFFICE

MEET THE TEACHER - TUESDAY 19 FEBRUARY
Next Tuesday there will be an opportunity to meet the teachers and receive some general information about the class/grade/stage organisation. It will take approximately 30 minutes. There will be information sheets available that can be sent home if you are unable to attend. It is not a time for individual interviews or meetings. If you wish to speak to the teacher on an individual basis please make an appointment through the office. We have staggered the times so hopefully there will not be too many clashes. At 7.30pm there will be the first P&C meeting of the year in the school library. Everyone is most welcome to attend. If you are new to the school it is a great way to get to know what is happening at Summer Hill and meet other parents who are all very friendly.

Below is the schedule for next Tuesday.

Parents of all Year 6 students can go the 6TK and 6SP rooms at 6.30pm. At that time there will be someone from the ‘Aussie Bush Camp’ that will be attending to give some information about the venue we will be using in 2013. The official meet the teacher evening will begin at 7pm in the classrooms and conclude at 7.30pm in the hall. If there are any variations for specific classes a note will go home with the details.

Many thanks,
Greg McLachlan

FROM THE DEPUTIES’ OFFICES

STUDENT WELFARE

WE NEED YOUR HELP!
Please help us by not chatting outside the classrooms. It becomes very noisy and sometimes the students cannot hear their teachers. Our wonderful canteen does a great morning coffee, and is a lovely place to have a morning catch-up. Thank you for helping us out!

POLICIES
Our student welfare policies can be viewed on the school’s website at: 

TIME TO START SCHOOL – Family Guide to Starting Kindergarten
The first weeks of school:
- School will let you know when to pack items for activities such as sport, art or library.
- Children are often very tired in the first weeks of school. Your child will need lots of sleep.
- Give your child a healthy breakfast.
- Make sure your child always knows who will be picking them up.
- Check your child’s bag each night.
- Try to establish regular morning routines.
- Be early for the afternoon pick-up.
- Start a home reading routine each afternoon.
- Talk to the teacher about helping in the classroom.
- Chat to your child about their day at school.
- It is important that your child still has time to relax, play outside and do things they enjoy.

Writing our child’s name on everything:
- Kindergarten children are just learning to look after their belongings, so label everything and check through your child’s bag each night. You can:
  - Use a permanent laundry marker to label clothes and shoes;
  - Buy personalised labels and sew or iron them onto clothes, and stick them onto lunchboxes and drink bottles;
  - Write your child’s name underneath the hemline or on the tag;
  - After a couple of weeks check to see that labels haven’t faded with washing.

What your child will learn at school:
- English:
  - In this subject students learn to read, write, talk and listen.
- Mathematics
  - Mathematics develops students’ thinking, understanding, competence and confidence with numbers, shapes and measurements.
- Creative Arts
  - Creative arts gives students experiences in the visuals arts, music, drama and dance.
- Science and Technology
  - Science and technology develops students’ thinking, investigating and problem-solving. This subject builds on the curiosity children have about their natural and built environments.
- Human Society and Its Environment (HSIE)
  - In HSIE students learn about history, geography, civics and citizenship. They learn to participate effectively in maintaining and improving the quality of their society and environment.
- Personal Development, Health and Physical Education (PDHPE)
  - This subject develops the knowledge, skills and attitudes students need to lead healthy, active and fulfilling lives.

SOCIAL SKILLS – STOP THINK DO
Our Term 1 social skills program in all classes K-6 is called “Stop, Think, Do”.
“Stop” means stop the bad habits and look and listen instead. Ask the questions “What is the problem?” and “What are my feelings?”
“Think” means think about options and consequences. Ask the questions “What could I try?” and “What might happen?”
“Do” means do the option with the best consequences. Ask the questions “What is the best option?” and “How can I do it?”

“Stop, Think, Do” aims to:
- develop a positive school culture;
- develop children’s emotional intelligence and thereby increase their self-esteem;
- empower children by teaching them self-control, decision-making and positive actions;
- teach children responsibility, respect and concern for others.
- prevent current and long-term adverse consequences resulting from poor social skills and peer friendships;
- improve social skills and peer friendships of children experiencing social difficulties;

(Adapted from: “Stop, Think, Do: Social Skills Training”, Petersen & Adderley)

RESTORATIVE PRACTICE
On Monday 18th February all students K-6 will attend workshops in Restorative Practice. There is no cost to families for these workshops.
Restorative Practice is a process used at Summer Hill PS by teachers and students, using common language and understandings, to manage tensions and conflicts to ‘make things right’. Restorative Practice uses an explicit framework designed to re-establish significant relationships following behavioural incidents. It seeks to ensure that the consequences for misbehaviour have relevance and meaning within the school community context, fostering individual responsibility and helping develop empathy.
In even years we hold a Restorative Practice workshop for parents. The next parent workshop will be in 2014. In the meantime if you would like more information about Restorative Practice there is a parent booklet (hardcopy) available that is usually distributed at the parent workshop. Please let Mr Warnock know if you would like a copy.

**MERIT AWARDS**
The Summer Hill Merit Award system is an annual one. Only awards from the current year are able to be accrued for higher level awards. The first weekly yellow merit awards will be presented to students this week.

**Merit Award (Yellow)**
- Merit Awards are awarded in recognition of an achievement or appropriate behaviour in the classroom, playground and school activities. The number of awards presented to each class varies between grades, and reflects the number of students in the grade:
  - Up to four merit awards, at teacher discretion, can be presented per class each week in Kindergarten.
  - Up to five merit awards, at teacher discretion, can be presented per class each week in Years 1-2.
  - Up to six merit awards, at teacher discretion, can be presented per class each week in Years 3-6.

**Merit Certificate (White with blue writing)**
The attainment of 5 Merit Awards leads to the presentation of a Merit Certificate at a weekly infants or primary assembly by either the Principal or a deputy or assistant principal. The students receiving this award are recognised in the Summer Hill News.

**Gold Award (White with gold writing)**
The attainment of 8 Merit Awards leads to the presentation of a Gold Award at a weekly infants or primary assembly by either the Principal or a deputy or assistant principal. The students receiving this award are recognised in the Summer Hill News.

**Summer Hill Blue (Banner)**
The Summer Hill Blue is awarded to a student who has achieved or performed at an outstanding level during the school year. The attainment of 10 Merit Awards leads to the presentation of the Summer Hill Blue at a K-6 assembly by the Principal. The students receiving this award are recognised in the Summer Hill News and, with their parents, are invited to a morning or afternoon tea with the principal.

**MEDICATION**
Students must not carry any medication in their bags or on their person other than asthma puffers. All medication required by students must be accompanied by a signed note stating the required dosage and times, and handed to staff at the sick bay.

For students who require on-going medication or who have on-going medical needs that may require medication or other interventions a health plan for managing the medication and condition must be developed. Please see Mr Warnock if this applies and your child does not already have a health plan or if your child’s health plan needs to be updated due to changes in care, medication, etc. Please also ensure all medication kept at school for your child is in date, and replace when expired. We also need to know if your child has asthma, as we keep a record of students with this condition. Again, please see Mr Warnock if you have not yet notified us of your child’s asthma. Please also ensure all asthma medication kept at school for your child is in date, and replace when expired. Thank you.

**RESTRICTED SPACE IN SCHOOL HALL AND GROUNDS.**
Please be mindful that our school has many students and limited space. We would greatly appreciate your assistance by directly supervising toddlers and not stopping in high traffic areas and/or outside classrooms. This will allow class teachers to better manage class groups, particularly around bell times and events in the hall etc. Thank you for your support.

**MOTH BALLS (Naphthalene)**
We have several students in the school who have a life-threatening allergy to naphthalene, which is the main ingredient found in moth balls. As it gets colder to winter and the warm clothes come out of storage, please do not send your child/ren to school in clothes that have been exposed to moth balls. Thank you for your support regarding this important health matter.

**SCHOOL PHOTOS**
Our photo days are coming up – Monday 18th March for classes (main day) and Monday 8th April for other groups. On the main day all class photos and family/individual portrait photos will be taken. Weather permitting, we also take the Year 6 group photo. On the second day the other group photos (eg: band, orchestra, library monitors) will be taken.

All orders and payments for class, individual and family photos are to be given to the photographers on the day. NO MONEY OR ORDERS ARE TO BE HANDED TO CLASS TEACHERS OR TO THE OFFICE AT ANY TIME. Class teachers will distribute order forms and spare order forms will be available from the office. Family (sibling) photo order forms will also be available from the office.

The office will not be able to give change on photo day and will not be able to phone home on photo day for students who do not have an order form. Late orders can be made through the photography company and may incur a late fee. A late order form will be available on the day from the photographers.

Group photos will be available for order after they have been taken and we have been sent samples to have a look at. These will be on display for a period of time once they have been made available to us.

All enquiries regarding photo packages, prices and photos after they have been taken are to be made directly to the photography company: Advancedlife 1300 728 972

## P&C NEWS

**Make 2013 your year to join the Summer Hill P&C!**

Calling all parents and carers! The P&C needs you! Come along to the Annual General Meeting on **Tuesday 19 February at 7.30pm** and find out how you can help our school! There are many ways to get involved, from fundraising to helping out at events to joining committees. The P&C meets on the third Tuesday of every month in the school library at 7.30pm. It only takes a gold coin donation to become a member. By supporting the P&C, you are supporting the school. It is also a terrific way to meet other parents and to have some fun.

At our first meeting for 2013, we will talk about the **Spring Fair** – the biggest event on the P&C calendar. We would love to see lots of new faces and also to hear lots of new ideas for our fundraising year ahead.

If you have any questions, or if you can’t make it on Tuesday but would really like to be involved, you can contact the P&C at summerhillpandc@gmail.com

See you all on Tuesday 19 February at 7.30pm, right after the “Meet the Teacher” event.

## SECOND HAND UNIFORMS FOR SALE

The P&C are selling all items for $2!!

An array of pre-loved uniforms is available for sale each Tuesday morning between 9-9.30am outside the P&C storeroom (under the library).

NOTES FROM THE MUSIC ROOM

JUNIOR RECORDER 2013

There are still places available for the Junior Recorder Class on Thursday 3.10-3.55pm in the Drama Room. These classes are open to Year 2 students only. An entry form may be obtained from the office.

TRAINING BAND & TRAINING ORCHESTRA SPECIAL FIRST REHEARSALS

A reminder that the first rehearsal for Training Band and Training Orchestra are on Friday 15th February.

Training Orchestra: 7.30am-9.00am in the library
Training Band: 3.00pm-6.00pm in the hall

These special sessions are a “one-off” rehearsal to get all the administration and teething problems with instruments out of the way. Normal rehearsals start on Friday 22nd February:

Training Orchestra: 8.00-9.00am in the library
Training Band: 8.00-9.00am in the hall

SWIMMING CARNIVAL 2013

Date: Thursday the 14th February
Venue: Ashfield Aquatic Centre, cnr of Frederick and Elizabeth Sts, Ashfield. 50 metre Olympic pool.
Students: All students in Years 3-6 plus students in Year 2 who turn 8 this year and are involved in squad training.
Transport: Buses leave from school at 9.15am. Students must be at school by 9am.
Permission: Students must return the signed permission note to their class teacher. Parents must indicate on the note their child’s swimming ability.
Clothing: Appropriate swim wear, hats and shoes. Students are asked to dress in house colours. No colour hair spray or crepe paper streamers are permitted. Students must wear sunscreen.

Border - Blue               Campese - Red               Lewis - Yellow               Flemming - Green

Food: It is recommended that students bring along recess, lunch and a drink. Food is also available from the shop at the centre.
Open 100m: This event is held at the pool at 9am. Participating students must make their own way to the pool. Please advise Mr Steggels if your child is competing.
Age races: Freestyle (8, 9, 10, 11, 12 & 13 years)
Junior (8, 9 & 10years), 11 years and 12/13 years races in backstroke, breaststroke and butterfly.
Junior & Senior relays
There are no finals. Placings in each event are based on heat times, as is the formation of relay teams for each house. From these results a team is selected to represent the school at the Western Suburbs Primary School Sports Association (WSPSSA) Area Carnival.

SOFTBALL HELP NEEDED

Calling all sport enthusiasts. Do you enjoy the outdoors? Keen to help our Summer Hill kids improve their softball skills? We are looking for parents willing to coach the junior boys and girls softball teams. Commitment would be once a week and no need to attend matches or umpire. If you think you could do this please contact Louise Patterson on Louise.patterson@optusnet.com.au

IMPORTANT: YEAR 6 LIBRARY COLLECTION

A small collection of popular fiction, more sophisticated in theme and content than that usually held in primary school libraries is available for the exclusive use of Year 6 borrowers. Many of the more able readers in Year 6 are already reading and requesting for loan books often described as ‘young adult’ or ‘teen’ fiction. Some materials used to support reading programs in Year 6 classrooms may also fall into this category.

If you do not wish your Year 6 child to use these materials or to borrow from this part of our library collection, please indicate this in writing to the librarian by Friday 15th February 2013. Year 6 students will commence borrowing from the Year 6 collection during class visits in week four of this term.

LIBRARY NEWS

Library classes for Year 1-6 students commence this week.

Library class visits begin for all students this week. Please ensure your Year 1-2 child has a Home reading bag ($10 available from the library.) Primary students may wish to use a Library /Excursion Bag - with drawstring ($6 available from the Uniform Shop.)

All students must use a waterproof library bag to carry books to and from school. Not only does this make it easier to keep track of books on loan to your child, it reduces the risk of costly damage to our books.

Familiarisation visits for Kindergarten students will take place this week and next week. Kindergarten loans commence in Week 5 when Home Reading/Library bags (paid for in Activity Statements) will be distributed to Kindergarten students.

Please remember that the library is a classroom and library staff are unable to answer any queries during class times. Parents are welcome to visit the library with their children on Monday, Wednesday and Thursday mornings between 8.45-9.15am.

Students are encouraged to take part in The NSW Premier’s Reading Challenge 2013. Information about this year’s scheme will be passed on to children during class visits and published in next week’s newsletter.

ITALIAN NEWS

The K-3 class is now completely full with a waiting list. The Year 2-6 class has a few spaces left. Year 2 and 3 students are only allowed into this group if they have studied Italian before or if they listen to / speak some Italian at home. Grazie!

**YEAR 1 AND 2 YOGA AMMENDMENT**

**SCHOOL BANKING IS BACK!!**

Don't forget that TUESDAY is School Banking day and students should bring in their weekly deposit.

The School Banking program includes an exciting Rewards Program designed to encourage children to get into the habit of making regular saving. Every time your child makes a deposit at school they receive a silver coloured Dollarmites token. The first token will be received upon the first deposit at school. Once your child has individually saved 10 tokens they can redeem them for an exclusive Dollarmites reward item. Students will have lots of fun saving their tokens for these cool rewards items.

School Banking is also a great fundraiser for our school. The school receives $5 when children make their first deposit at school and a commission on every deposit made through the School Banking program.

**Taking part in School Banking is easy.**

- If your child has an existing Commonwealth Bank Youthsaver account they can start banking straight away. They just need to bring their deposit in every week using their Dollarmites deposit wallet. If your child has misplaced their Dollarmites deposit book or deposit wallet, they can request a new one from either the local branch or contact the School Banking Coordinator.

- If your child does not have a Youthsaver account, you can open one at any Commonwealth Bank branch, no forms to fill in! Alternatively, if you are an existing Commonwealth Bank customer with access to NetBank you can apply online. Another option is to download a paper-based application form from commmbank.com.au/schoolbanking. Please note this option may take up to 2 weeks before a Dollarmites wallet and deposit book is sent to your home address.

---

Thank you for supporting the School Banking program at Summer Hill Public School.

FORTHCOMING CELEBRATIONS AND EVENTS

Valentine’s Day – 14 February
It is thought that Valentine’s Day originated as a pagan celebration in the third century. In February, Romans celebrated ‘Lupercalia’ to honour the god Lupercus so that he would protect them and their flocks throughout the coming year. On this occasion names of young women were placed in a box to be matched with young men and become partners for the year. Christian priests changed the name to Valentine’s Day in an attempt to replace ‘heathen’ practices. Through the centuries St Valentine became the patron saint of lovers and on this day sweethearts around the world exchange messages of love.

Parinirvana (Buddhist-Northern Tradition) - 15 February
In the Buddhist northern tradition this day commemorates the death of Buddha and his entry into Nirvana. In some temples the lights in the great meditation hall are extinguished and the entire congregation meditates and chants particular scriptures before the lamps are re-lit. This ritual expresses the hope that the teachings of the Buddha will endure for all time.
