**Thank You**

Mrs Susan Terravecchia volunteered to set up and manage the Ethics Program at Summer Hill PS in 2011. Since then, due to her volunteer efforts and industry, this program has grown to allow delivery of the Philosophical Ethics Program to 13 classes in 2015. Her commitment to the program and help to the office staff with the management and smooth running of this program, as well as her support of the parent volunteers who deliver the classes weekly, has been greatly appreciated. I would like to welcome Hilary Shrub and Lisa Polses as our newly appointed co-coordinators of this program beginning Term 3 and thank them for taking over this role.

**ICAS Mathematics Change of date**

Please note that the International Competitions and Assessments for Schools (ICAS) Mathematics assessment will now be held on Thursday 6 August due to a clash in our timetable. The English ICAS Assessment will not change and will be held on Tuesday 28 July, 2015. We apologise for any inconvenience this change of date may cause.

Interrelate Family Evening—Monday 7 September

Interrelate has been teaching sexuality and relationship education in NSW schools for over 80 years. They have a reputation for non-discriminatory and open teaching on sensitive issues including sexuality, gender identity, bullying awareness and respectful relationships.

Their highly trained and skillful presenters deliver a range of programs to assist children and parents to communicate with each other about fundamental emotional and social development issues. Interrelate has the acknowledgement of government, education and health authorities to provide relationship education in schools throughout NSW. They will be presenting 2 programs at our school on Monday 7 September. The first session: Where did I come from? starts @ 6pm and is for students in Years 3-6 accompanied by a parent. The second session: Preparing for Puberty is for students in Years 5 & 6 (Years 3 & 4 at parent’s discretion) accompanied by a parent and starts @ 7.15pm.

Cost: 1 session $25 per family; 2 sessions $30 per family. (Payment can be made on the night)

Specially books will be available for sale on the night. Notes will be sent home shortly to all families in Years 3-6 to book for this program and will be placed on our website.

Program Overviews:

Where did I come from? (Yrs 3-6) focuses on developing students’ understanding of male and female reproductive systems, conception, foetal development and birth; discusses different ways children can join families, e.g. adoption, fostering, blended families; and facilitate parent-child discussions.

Preparing for Puberty (Yrs 5-6) focuses on developing students’ understanding in relation to the physical, emotional, social and intellectual changes associated with puberty for both boys & girls; and facilitate parent-child discussions.

Poverty Challenge

Claudia, Hanan and Emma, from 4/5PC challenged themselves to live on $10 worth of food each for 5 days- that's $2 each a day! They did the challenge from 13th July to 17th July, and raised over $300 for the charity Youth Off The Streets.

"We saw a segment on B.T.N. about poverty around the world and learned that 3 billion people live on less than $2.50 a day. Thinking about this makes us feel sad, and makes us think about how much we take for granted. We want to do the poverty challenge so we can get a small perspective of what it really feels like living below the poverty line. We also realised that even in Australia people live in poverty so we have decided to raise awareness about poverty and donate money to an Australian charity. Living below the line will be hungry, tiring and absolutely amazing because we will be doing it together and raising money for charity!"

They prepared for the challenge by going to Aldi and investigating the prices of various foods, and then planned meals for the week to stay within the $2 a day budget. By careful planning they were able to not be hungry, but had to avoid packaged, prepared food and treats.

Their team page is still active if anyone still wants to make a donation that will go to Youth Off The Streets! https://yotscommunityfundraising.everydayhero.com/au/team-the-poverty-challenge

Student Absentee Notes

If your child/ren have been absent from school and you have not supplied a note of explanation, you will have received a form from the office with the dates that your child was absent from school. Please fill in the reasons for your child’s absence and return to the office as soon as possible. Thank you for your assistance with this request.

Middle Childhood Survey (MCS)

The MCS measures the mental health and wellbeing of all NSW children in Year 6 in 2015. The MCS will gather information directly from children about their thoughts, feelings, actions and experiences. Year 6 students will be participating in this study over the following weeks at school. Information from the 2015 statewide MCS will be analysed by the research team to identify childhood factors that influence resilience and vulnerability for later mental health and other factors. Parent information packs are being sent home today with an opt out section if parents wish for their child not to participate. This pack can also be found on our website.

Kanga Cup Champions

Summer Hill had four Kanga Cup representatives, Jack S 5SH, Elliott B 5JR, Leo B-D 6BN and Jacob P 6AW. They travelled to Canberra and competed in football against teams from other states in Australia, Korea and New Zealand. Even though it was cold they had an unforgettable experience.

**BOOK YOUR TICKETS**

It’s less than TWO WEEKS until the Summer Hill Public School P&C hoedown showdown featuring dance calling and the toe tapping tunes of *The Inland Navigators*.

It’s all happening on Saturday 1st August, from 6.45pm – 11.00pm in the school hall. The event falls the day after Grandparents Day - ask them to stay on and babysit or bring them along.

**Look out for ticket order forms in your child’s bag or direct enquiries to Lisa Mitchell at lmmitchell@ozemail.com.au**

**DON’T WANT TO COOK? PRE-ORDER FOOD THIS WEEK**

Pre-order your wrap’n'corn by THIS FRIDAY 24th JULY to guarantee catering. Pre-order details are available on your ticket form. Tuck into delicious slow-cooked meat or vegetarian wraps with coleslaw, salad and corn on the cob.

Kick back at our beer and wine saloon bar, or alternately bring your own food and drink.

**WANTED ALIVE! VOLUNTEERS**

We need hat-tipping, boot-scooting volunteers to assist us on the night and also to lend a hand with set-up and pack down.

To volunteer for any of the following, please email Kaylene Hubbard at kayleneandsyd@gmail.com

**Set up in the Hall**

*Friday 31st July* – multiple hands needed from 1.30pm to 3.00pm. We need a couple of sets of muscles to assist us picking up and moving heavy props, plus people to help set up the hall.

*Saturday 1 August* – from noon to 3pm on the day we need help to place props, hay bales and tables, put up marquees as well as deft hands to help create the theme.

**Volunteers on the night**

We need people throughout the night - welcoming at the door, selling food vouchers and fundraising scrolls and assisting with our photo booth. For the auction, we need spotters with keen eyes and enthusiasm.

**Pack up**

Most of the pack up happens from 9.30am on the Sunday morning (2nd August), and the more the merrier (and the quicker!) for this. A little clean up on the Saturday night always helps too so let us know if you can spare half an hour or so at the end of the night.

**Brownie bakers**

We are after some keen bakers to create and donate some delicious brownies for dessert on the night. You will be given a recipe, so let us know if you can help with this.

**CAN WE BEG AND BORROW?**

We are transforming the hall into a Western saloon.

If you can lend us any of the following items, we would be super grateful. Email Kelly Johnstone on kelly@sequential.com.au if you can help. Don’t be shy – we promise to return them to you!

- Bench seats or picnic table seats (as many as we can get a hold of!)
- Outdoor gas heaters (with gas bottle)
- Marquees, ideally with sides
- Tartan picnic rugs or blankets

GOOSE AWARDS

Last term the following K-2 students received feathers for showing amazing resilience at the Holy Innocents Chess Tournament last Thursday.

It would have been quite intimidating for our 5, 6, and 7 year old players to walk into a big competition hall full of mainly year 6 players who were twice their age and size!

ETHICS NEWS

At this time of year, we begin to look forward to 2016, and to consider the number of volunteer Ethics teachers we will need. As demand continues, we are actively looking for volunteers in our community who can commit to being available between 9:15-10:45 (or part thereof) every Thursday morning during school terms. If you would like to observe an Ethics class to see what it is all about first, that can easily be arranged. All volunteers are required to complete 16 hours of intensive face to face training at a university in Sydney, as well as online training including a Child Protection course. All volunteer teachers must present a Working With Children Check and a clear Police Check. Furthermore, they are supported each week by the presence of a classroom teacher. A complete curriculum is provided and you will have access to online and classroom support if needed.

A few parents have asked about what the course content consists of and the best resource I can give you is www.primaryethics.com.au. On the home page just click on Learn About The Curriculum and you can explore term by term what topics the children are discussing each year. Please know that the content is the same throughout NSW as all teachers are following exactly the same curriculum, written by Professor/Dr Sue Knight. Via the website you can also sign up for a Primary Ethics e-newsletter.

I have truly enjoyed coordinating the program at SHPS now since its inception, but it is time to pass the baton to our new Co-Coordinators, Hillary Shrubb and Lisa Polsek. Due to the size and demand for Ethics at SHPS we were granted the option of having two coordinators and this will surely make the program run smoothly. If you are interested in volunteering or have any questions, Hillary and Lisa can be reached at summerhillethics@hotmail.com.

Thank you,
Susan Terravecchia

HOUSE MASCOTS

This week the new mascots for our House teams will be announced. After much discussion and research by the house captains and the sustainability team at school, consultation with local Aboriginal advisors and voting in house teams the following creatures have been assigned as the official mascots or ‘totem creatures’ for each house. To make life easier as we learn the new names we have selected animals that begin with the first letter to match their assigned house. These creatures all have some relationship to the land in and near Summer Hill either today or in the time when indigenous inhabitants were travelling along the local rivers to the coastal shoreline.

Aboriginal names for the new totem/ mascots have been included:

Lewis: LYREBIRD – weringerong (wear-ring-a-rong)
Border: Bottle nosed DOLPHIN – baruwaluwu (bar-roo-wall-u-u)
Fleming: FLYING FOX – ngununy (n-gun-un)
Campesie: (Black)COCKATOO – garraway (gar-ra-way) – sulphur crested …… garada (ga-rate) – black

TREE DAY ASSEMBLY

On Friday 24th July primary students at Summer Hill will celebrate Tree Day. We will do this by gathering at our usual grade 3-6 assembly at 11.15am where 4GB will entertain us with a suitably thematic drama/dance performance. Parents of those students are welcome to attend.

There will be a visitor from WIRES: the wildlife rescue service who will be sharing her knowledge about some of our local species and their needs. There will also be a visitor from an organisation called ‘Saving our Trees’ who will be bringing some nesting boxes for our school to use as habitat havens. These nesting boxes have been kindly created and donated by the Men’s shed in Leichhardt.

It is promising to be a very interesting assembly. We would like to ask for a gold coin donation to give to the WIRES service to support them with their fantastic work on behalf of the little creatures in our ‘hood.

Congratulations to the 29 Summer Hill Public School students who have already completed The NSW Premier’s Reading Challenge 2015. Each student’s reading record can be accessed online at: www.schools.nsw.edu.au/premiersreadingchallenge

K-2 students need to read a total of 30 books to complete the Premier’s Reading Challenge. Each K-2 student record already includes the titles read to children during library lessons this year. Students in Years 3 – 6 need to read 20 books altogether. Of these, 15 must be on the relevant NSW PRC booklist and five can be personal choice books of a similar standard. Please remember, only two titles from any one series may be read as part of the PRC.

Please email our school PRC coordinator, carmel.grimmett@det.nsw.edu.au to advise once your child’s PRC entry has been completed. This will ensure that they have a valid entry in the NSW Premier’s Reading Challenge 2015.
