POLICY STATEMENT

The Summer Hill Public School P&C (P&C) is committed to supporting Summer Hill Public School (SHPS) through its fundraising activities and has developed this Disbursement Policy to ensure transparency and fairness in its dealings with the community.

The P&C intends to distribute all the funds raised each calendar year on appropriate equipment/activities during that year\(^1\) while ensuring enough money is maintained in the bank accounts to cash-flow the planned activities for that year.

The P&C will distribute funds in three broad categories:

1- Strategic funds
2- Committee and curriculum support funds
3- Contingency Funds

DEFINITIONS

*Strategic funds:* Funds allocated by the P&C towards long-term projects (2-5 years) such as the Masterplan, Sustainability Plan, Technology Plan. These funds will account for approximately 50% of the total annual disbursements. These funds are committed for the term of the project and will be allocated first. If Strategic funds are allocated in a particular year then these may be allocated as Committee and Curriculum funds.

*Committee and Curriculum funds:* These funds are allocated in response to applications for funding from the Committees, either the sub-committees of the P&C or functional committees of the school (eg IT committee, Sport committee) or from the Principal to support school activities (eg. Dance program, sport program, upgrade basketball court, etc.) These funds will account for approximately 30% of the total annual disbursement.

*Contingency funds:* These funds are allocated in response to one-off applications from the school community (eg. contribution towards accommodation for a sporting group, funding towards sports uniforms, etc.) The funds will account for approximately 20% of the total annual disbursement.
