HOW DO PARENTS/CARERS ACCESS QUICKWEB?

A link has been placed on the front page of the school’s website. By selecting the Make Online Payments link, you will be taken to a secure Westpac QuickWeb payment page - you will no longer be in the school’s website.

HOW DO PARENTS/CARERS MAKE A PAYMENT?

From the initial Westpac QuickWeb page payers will complete the necessary details, some of which are mandatory (marked with an *), before confirming the payment details and completing the payment. A receipt can be printed from the payment page and/or be emailed to the payer.

The four screens in Westpac QuickWeb payment pages are:
1. Entering payment details
2. Entering credit card details
3. Confirmation of payment details and
4. Online Payment Receipt.

1. Entering payment details

The first Payment Details page captures the student and payment details, in order for the payer and the school to identify the student that the payment applies to and what the payment is for.

The following details must be entered to identify each student:
- the student’s name and class, and a reference number, OR
- the student’s name and date of birth.

The payment details should come from the Activities Statement that the school issues. There can be more than one payment line for all items except voluntary school contributions. The items are:

- Voluntary school contributions (1 payment line): this may include general contributions or donations;
- Subject contributions (up to 10 payment lines): this may include contributions for specific subjects;
- Excursions (up to 5 payment lines): this may include specific venues related to out of school trips e.g. zoo, or in school activities such as Musica Viva;
- Sport (up to 5 payment lines): this may include carnivals, weekly sport activities and PSSA;
- Creative & Practical Arts (up to 5 payment lines): this may include drama, dance and craft activities;
• Sales to Students (up to 5 payment line): this may include anything sold to students that becomes the property of the student;

• Other (up to 5 payment lines): this will be used for the school’s instrumental music program.

When any option is chosen by selecting the tick box it is mandatory to include both a payment description and payment amount.

Page 3 shows a completed Payment Details page with a sample of options selected.

QUESTIONS

Why do I need to enter Date of Birth?
In some schools there are students with the same name in the same class or year. The date of birth assists the school in distinguishing which student the payment relates to.
Note: Date of birth is not required if the class AND a reference number are entered for a student. Some schools choose to issue invoices, others do not.

Why do I have to enter the student’s details each time I make a payment, isn’t it stored in the system?
When you make a payment you are in a secure Westpac website, for privacy and security of data no student details are maintained within the Westpac site. You must enter the details with each payment.

What is the student registration number, I don’t know it?
The student registration number is optional, if the school issues invoices it may appear on the invoice.
