FROM THE PRINCIPAL’S OFFICE

Dear Parents and Caregivers.

The staff wish all our students and their families a safe and happy holiday. We look forward to a productive and exciting Term 4 together. See you on Tuesday 7 October!

Changes to our school website
We have added a new feature to our school website which I feel will be of benefit to all parents. When you visit our school website, you will notice a new tab “Forms for Parents”. Under this tab we have placed the Activity Statements and excursion permission notes for each stage; Working with Children forms; and Health forms. We will continue to update this site as required. Our Enrolment Policy and School Intake Zone Enquiry will now be found under the “Our School” tab. I would like to congratulate the office staff for this initiative.

School Plan 2015-2017
At the P&C meeting held last night, I introduced the parents to the new School Plan format that we are developing as a school community to set the strategic directions for the next 3 years. I am very keen to have staff, parent and student input. If you were not at the P&C meeting but would like to be involved I am more than happy to run another session for those parents early next term. On Tuesday afternoon the staff took part in the first 2 hour session on the School Plan, starting the conversations around developing our school’s vision and the 3 Strategic Directions that will drive our teaching and learning for the next 3 years. For me this is an exciting time to be leading our school, and I am always open to student and parental ideas and feedback.

NAPLAN
I will be analysing our NAPLAN results with staff this afternoon in our Training and Development session. Next term I will be presenting the analysis of our NAPLAN results to the school community prior to the P&C meeting in October. Please come along if interested as this is an interesting exercise in looking at school and student performance.

World Cup Stalls and The Primary Proms
Congratulations to the Year 6 students and their teachers for the fabulous World Cup Stalls that were held last Wednesday. The event was a credit to all students in the way they worked together as teams to raise money for charity. I was also extremely impressed by the quality of the choir at The Primary Proms held at the Town Hall on Monday night. A huge “thank you” to Mrs Rebecca Salter for all her hard work and our talented choir students. Our Stage Band will be performing tomorrow night under the baton of our Music Director, Cathy Chan. I am sure it will be another spectacular event. Well done SHPS!

Selective schools
Are you already thinking about your child’s Year 7 placement in a selective school in 2016? Application for entry to a selective high school in Year 7 in 2016 will be online only, from 14 October, 2014. You’ll find more information about selective schools and dates for examinations on page 4 of this newsletter.

STUDENT WELFARE

STUDENT LEADERS 2015
Term 4 and the Year 6 student leader (2015) elections/selections will soon be here. As part of the lead-up to this time the Year 5 students with their teachers have discussed the qualities the students think a leader should possess and display. Each class came up with a list of qualities and these have been condensed into a single list (see below). This will be displayed in the Year 5 classrooms.
More information regarding the student leader elections/selections will be distributed to students and their families at the start of Term 4.
Our student welfare policies, including student leadership policies, can be viewed on the school’s website at: http://www.summerhill-ps.schools.nsw.edu.au/caring-for-students/student-welfare-policies

GEESW WRITERS take off....

At Summer Hill we have been focusing hard on improving the skills of ALL of our writers: young and old, enthusiasts and reluctant authors. In the coming weeks we would like to share with you some of the fantastic work that has been emerging from that teaching/ learning journey:

Some more wonderful word- smithing going on at SHPS...
Dear Diary,

Yesterday I was caught by some nasty knights. About 40 of them dragged me into this cramped dungeon. It is damp and cold in this strange place. It is dark and there is only one tiny window with bars on it. I am using this bit of light to write this diary entry. I hope I don't get caught.

I am feeling very frightened and confused because I have no idea why I am in this horrible place. I'm so scared, my whole body is trembling with fear.

Even though they tease me, I'm frightened that the other dragons are going to get captured by the knights. I hope they are making their way to the secret tunnel so they can escape these knights.

I must find a way to break free from this metal chain around my neck so I can get out of this terrible dungeon. If I don't get out of here I'm worried that the knights are going to throw fruit and vegetables at me, but at least I will have something to eat.

From Herb (The Vegetarian Dragon)

P.S I'm really missing my vegetable patch!

GROUP WRITING BY 5/6TK

Using the Seven Steps, we are concentrating on tightening tension in our writing.

(Group writing pieces using Harris Burdick)

One group of boys wrote this…. The young Ms Marrow walked through the dusty, old library looking at all the ancient books that were on he shelves. There was one book, however, that caught her eye. She appreciated this specific book in a spiritual way.

“What shall I borrow today?” said Mrs Wellington, “let’ see…”

“Good morning Mrs Wellington, what can I do for you today?” whispered Ms Marrow.

“I want to borrow this book.”

“This book? Oh no…no one can borrow this book….”

A group of girls compiled this…. Night fell and the crinkle of the pages stopped. It was all too late. The vine crept slowly from the book. The only sound in the room was the soft buzzing of a lamp. Her outstretched hand was draped over the side of her bed. A silent chill seeped from inside and enveloped the whole room. Mystery hung in the air.
SENIOR GIRLS SOFTBALL REPORT
It was a great game! Both Five Dock and Summer Hill played very well. The overall score was 20-13 our way. There was great fielding, pitching and running. Good job Summer Hill!

Ella H (5/6TK)

SENIOR BOYS SOFTBALL REPORT
The softball game against Five Dock was a very intense game. Everybody played their best and the team couldn’t have done better. The score was 16-9 our way. Summer Hill did a great job. Well done Summer Hill!

Joel O (6SP)

JUNIOR CRICKET REPORT
The Summer Hill Junior Cricket Team won a hard fought game against Five Dock 75.5-70.5. We bowled first and took 6 wickets. Fletcher caught one of their players out and there was some good fielding by all the team. We had to remain focussed to beat their score and the team battled solidly. Elliot scored a four and he and Eddie were the highest scoring pair.
Thanks to Mr Otto for coaching us as it has been a long break since our last game. We have also had two changes to the team, with Meet and Ashmir moving to Parramatta and Joe joining instead.

ARTWORK BY 6JG

6JG has been inspired by the artwork in “The Mysteries of Harris Burdick” by Chris van Allsburg. We used chalk pastels, carbon chalks and graphites to create our mysterious and surrealist images. Shirley, Linda L, Michael, Melissa, Olivia and James share their work:

A great day last Wednesday as Year 6 and STK presented a variety of countries to the school community. The children have been working very hard over this term in small groups researching countries all over the world. A very multi-cultural experience!! Art, crafts, food, games and fantastic projects were on display. And $1400.00 was raised for charity!!! Congratulations to all the students involved. You have done a wonderful thing.
DEBATING REPORT

On Monday, 8th of September, we had our Regional Debating Quarter Finals. The debate was between Summer Hill Blues – Melissa S, Emily M, Linda L and Olivia A - and the terrifying Stanmore Public School team. It was a home debate for us. Several Year 5 classes came to watch our debate.

The topic for this debate was “That all children should own a pet”. We were affirmative, which means that we argued for the topic. It was a challenging debate topic. Stanmore Public (for the negative) was extremely strong. We think they will do well later in the competition. The adjudicator said that the decision was hard to make, but one team had to lose, and unfortunately this time, it was us.

This experience helped us a lot by giving us more confidence and more exposure to debaters of different levels. It improved our skills by helping us see the variety of ways a topic could be argued. These skills will definitely help us in the future. We enjoyed this experience and look forward to debating in high school.

We would like to thank Grace K, for supporting us the whole way, and being the most awesome and reliable reserve ever. We would also like to thank the Year 5 teachers and students for giving their time to be our audience. Finally, an enormous thank you to Ms Grenet for mentoring us, giving her time and effort to help us get this far. Without her, we would never have made it this far. We would like to think of her as the best debating teacher and food supplier in the whole entire universe!!

by Melissa S (Debating Captain), and Emily M (Summer Hill Blues member)
