FROM THE PRINCIPAL’S OFFICE

Dear Parents and Caregivers,

The staff wish all our fathers and grandfathers a very happy Father’s Day on Sunday. I am sure your day will be as special as you!

NAPLAN report envelopes will be handed to students in Years 3 & 5 on Thursday.

Book Week Events
Thank you to all our students, parents and staff for embracing the spirit of Book Week and making the Book Week Parade such a success. Mrs Grimmett was extremely pleased by the success of Book Week, which included a day with Craig Smith, a recognised illustrator, working with our K-2 students; and a day with Anna Feinberg, an accomplished author, working with our students in Years 3-6. I would like to acknowledge the talented MC at the parade, Captain Hook (aka Mr Timmins) who kept the parade humming along. I was very impressed by the quality and creativity of the costumes this year.

Musicale Evening Thursday 4 September
I am looking forward to the first of the Musicale Concerts, The Miriam Hyde Concert, tomorrow night. The concert will begin at 6pm in the hall. To sustain our performers and audience, the Canteen will be open on the night to serve food and drinks. These concerts are a valuable opportunity for the members of our musical ensembles and their directors to celebrate all they have learned and achieved this year.

AUSTRALIAN NATIONAL FLAG DAY 3 September 2014
Australian National Flag Day celebrates the first time the flag was flown over the dome of the Exhibition Building in Melbourne in 1901, when Australia’s first Prime Minister, The Rt Hon Sir Edmund Barton, announced the winners of a competition to design a national flag for Australia. 3 September is an opportunity for all Australians to celebrate the anniversary of the Australian National Flag by flying or displaying the Australian National Flag.

Premier’s Debating Team Success
I would like to congratulate our Summer Hill Blues Debating team - Melissa S, Emily M, Linda L and Olivia A on their successful debate against Birchgrove PS on Monday. Their next debate is later this week against Stanmore PS. Well done girls and Mrs Grenet!

Fathers Day Pop Up Cinema
Don’t forget to join us on Saturday night at 6pm for this special Fathers’ Day event. Bring a rug and snacks and have fun as a family watching a movie on our back oval. If raining, the movie will be shown in our hall.

Operation Art Exhibition
On Saturday 6 September, I will be joining Mrs Glenda Bell and 4 of our talented students and their families at the opening of Operation Art at the Sydney Olympic Park Armory Gallery. The paintings chosen were by Pamela L in 2MD, Ben M in 3BB, Max G in 5GB and Samuel Y in 5GB. Operation Art is an initiative of the Children’s Hospital at Westmead in association with the NSW Department of Education and Communities. Four of our students were selected to exhibit their artwork and we are very proud of their achievements. I would also like to thank Mrs Bell for providing our students with this opportunity.

Karen Shehata.

TERM 4 BEGINS ON TUESDAY 7 OCTOBER FOR ALL STUDENTS.

STUDENT LEADERS 2015
Term 4 and the Year 6 student leader (2015) elections/selections will soon be here. As part of the lead-up to this time the Year 5 students with their teachers have discussed the qualities the students think a leader should possess and display. Each class came up with a list of qualities and these have been condensed into a single list (see below). This will be displayed in the Year 5 classrooms.
More information regarding the student leader elections/selections will be distributed to students and their families at the start of Term 4.
Our student welfare policies, including student leadership policies, can be viewed on the school’s website at: http://www.summerhill-p.schools.nsw.edu.au/caring-for-students/student-welfare-policies

REMINDERS

SCHOOL HATS
School hats should be worn at all times when students are outside at recess and lunch, and on excursions. Our hats are either broad-brimmed or legionnaire-style, and protect the face, neck and ears. This is particularly important as we head into the warmer, drier months. Please send your child/ren to school with a school hat with the name and current class clearly written inside (and it’s a good idea to have one, two or even three spares). If students do not have a school hat we have our wonderful shady COPA area to play in. Thank you for your support.

NO SHARING OF FOOD
We have a no sharing of food policy at school. Please remind your child/ren that the food in their lunchbox or lunch order is for them, not their friends! Thank you for your support.

**SPORT NEWS**

In Terms 2 and 3 the Junior Girls A Soccer Team played against schools from the Inner West every Friday afternoon. In my team we had great attackers like Francesca, Kiara, Adele and Amy. For defenders we had Lerissa, Emma and Sage. I was goalkeeper for the whole season.

Half way through the season we lost our best player, Francesca, who got most of the goals before she left and went to Italy, (and she won’t be coming back till next year). She was replaced by Jessica who played defence.

This season was awesome! I would like to thank our coaches Ms Hughes and Jimmy for a great season.

SPORT NEWS

JUNIOR BOYS SOCCER TEAM SEASON WRAP UP
The Junior Boys Soccer Team struggled at the beginning of this season. They didn’t play as a team and pulled off a few lucky wins and draws but somehow managed to keep in touch with the top of the table. Mid way through the season they started to realise that if they held possession, they would win the game. To watch this team play possession football was wonderful. With Elliot and Markus controlling the middle, Martin and Ricky holding the backline, Ronan commanding from between the sticks and Eddie, Jeremy and Louis making attacking runs up front, the team started to win games with ease. Lucas was vital in his roaming position as well as his ability to keep the team focused with his commentary. Lachlan, Will, Luke, Oliver and Thomas all fitted in as solid utility players and played their part. We finished second but I’m confident that if the weather had been in our favour we would have cleaned up in the final. I’m looking forward to having some of these players in the senior team next year.

SENIOR BOYS SOCCER TEAM SEASON WRAP UP
The Senior Boys Soccer Team really seemed to enjoy each challenge that this season gave them. Most of the teams they played against were no match for them, but that doesn’t mean fair play and good sportsmanship were forgotten about. Several other coaches made a point of telling me what a great bunch of boys they were. Stand out players included Nathan, Jacob and Owen who controlled a lot of what happened in the centre; Joel and Leo who cut holes through opposition defences; Mark, Luke, Toby and Felix with their solid defence; George and Rohan with their wonderful finishing; and Rohan and Will with their safe hands. Of course a big part of their success goes to their ability to listen to the coach - Devindar (Nathan’s dad). They listened to and acted upon his instructions with dedication. His time, passion, wisdom and guidance were greatly appreciated by the whole team. Like the Juniors, this team would have been real contenders in the finals.
Thank you to all the boys for their manners, good sportsmanship, time and skills.

Adam Williams

PSSA NETBALL 2014
Our four netball teams enjoyed a successful PSSA competition this season with many wins and great displays of sportsmanship. The Senior B team made it through to the Semi Finals, which unfortunately is where the competition ended for all teams due to continuous cancellations because of wet weather.
A special congratulations to students Amy and Ella, who were selected to attend the 2014 Zone Netball Trials. Ella was then chosen to represent WSPSSA at the Regional Netball Carnival.
Mrs Nakhle and I are extremely proud of all netballers from the Junior and Senior teams who represented SHPS this year.

Ms Richards

PSSA
Congratulations to all our teams who represented the school in the WSPSSA Winter competitions. The appalling weather certainly played havoc with the end of season matches. However, from all reports, all teams competed with distinction and enjoyed their season. At the time of writing, the school is still not 100% sure of which teams have been declared premiers for 2014 so we will wait until we receive final confirmation of all results.
I do ask that you take a minute or two to thank your child’s coach for giving their time to ensure that the students at Summer Hill have the opportunity to play representative winter sport. Coaching children’s sport is an extremely enjoyable experience for player and coach alike. A thank you dos go a long way, however.
A reminder that summer PSSA resumes this week. Ms Nakhle and Mr Otto will have spoken to the cricket and softball teams to remind them about training and match commitments.

Finally, I was fortunate enough to speak with Renato from 5SH this week regarding his athletic career. He told me that he has been competing in athletics for five years and he was motivated to begin through his brother and father. Renato trains about two times per week but sometimes that grows to training everyday. His favourite events are long jump (Renato is actually the NSW Little Athletics under 10 long jump champion), 100m sprint and 800m. He also enjoys playing tennis and eating pizza. Renato will compete at this week’s Sydney East Regional Athletics Championships and is the Western Suburbs PSSA Junior Boys Athletics Champion. Congratulations Renato.
P&C NEWS

P&C MEETING REPORT FROM 26 August 2014

The P&C welcomed Rod Megahey, Director of Public School Marrickville Network, at this month’s P&C to discuss the joint funding project regarding the playground and how best to respond to rising enrolment numbers.

Playground

It was reported that good progress has been made on the new playground. The design of the main components of the playground have been determined by the department with any line marking and colouring of the surface to be decided by the school. The Principal will make a decision on this in consultation with teachers, users of the outside space and any parents wanting to make suggestions.

It is possible that construction could occur as early as the September school holidays, but if there have been delays in other construction work due to the rain over the last few weeks, then the construction will take place over the Christmas holidays.

Enrolment numbers

Rod shared about enrolment information in 2014 and beyond. The projection of student numbers is that they will increase significantly over the next five years. A number of options were presented to cope with this increase: a change in enrolment boundaries, a reallocation of OC classes, a policy of taking only in-area enrolments (this policy is already in place), the construction of more demountables and reconfiguring current spaces to accommodate more students.

A very helpful and fruitful discussion took place where it was decided that a survey be made of the school community to explore the options that can keep the numbers at the school at a manageable level. The survey would inform the school community of the issues and allow for a considered response and allow an expression of the school community’s desires to the Department of Education and Communities.

In the meantime, the Department will be investigating how our current spaces could be reconfigured and one more demountable will be constructed ready for classes in 2015.

SPRING FAIR

It’s never too early to start putting things aside for our second hand and plant stalls at The Fair.

“The Clothing Boutique” and “House & Home”

We know you families of the Inner West have fabulous taste! We need clean, quality second hand adult and children clothing, accessories and household items. More specific details will be distributed closer to November, but for now, think QUALITY. If you can’t imagine someone paying money for your second hand goods, then please don’t bring them in. Stained and misshapen, broken and incomplete items simply don’t sell and take up a lot of volunteer resources to sort and then discard. This costs the school money so is completely counter-intuitive to fundraising. Please help us to create a high quality, high turnover stall by editing your donations.

Any queries about The Boutique or House & Home, please contact Maggie Barry - maggiebarry@accn.com.au

The Gardening Stall would love you to start putting plastic plant pots aside for the gardening stall and taking cuttings from plants that will grow well from cuttings.

Please contact Jacob Messer if you have pots ready for him to collect, or plants you’d like to discuss with him. More details to come. Jake - messer_taylor@bigpond.com / 0434 915 519

The Book Stall loves your second hand books. Please start putting them aside now and if you have any queries about the book stall, contact Gaby Aitkin – gaby.aitkin@optusnet.com.au

A reminder that we are also still looking for some fabulous parents to co-ordinate the following stalls this year:

TATTOOS

Never fear, the temporary not the permanent kind! A stall the kids just love. An easy and fun one to co-ordinate.

CRAFT

Judging from the gorgeous handmade items on the CRAFT STALL last year, we know there are some very clever, creative parents in Summer Hill.

Now is a great time to start making items for this year’s event AND we are looking for someone, or a few people to co-ordinate the stall on fair day. Ideally one of those clever, crafty people who can set up a beautiful looking stall on November 1 and organise some volunteers to help you on the day.

Any queries about The Fair, please get in contact with me
To help you along your way we have lots of great tips to see on our school website here: http://www.summerhill-p.schools.nsw.edu.au/p-c/waste-free-lunchbox

**WASTE FREE WEDNESDAYS Tip:**

Audit this Week!!!
Remember to pack a waste free lunchbox this Wednesday? Or include reusable containers with your canteen lunch order?
Once we have finished our counting one Super Green class will be awarded the winners of the VERY GRAND...
GOLDEN LUNCHBOX!!!

Don’t forget to send us your tips and ideas to Jacqui: shwastefreelunchbox@gmail.com

---

**SPECIAL NOTE FROM THE CANTEEN**

Due to safety reasons and school policy, students are not to bring glass containers, bottles or other items to school for their recess or lunch. The canteen has requested that all lunches that need to be heated up are done so at home and put in a thermal pack. Thank you.

---

**CARD CREATIONS**

Most students across the school have designed their own greeting cards. These cards will be professionally printed and available for order in packs of 8 cards and envelopes. A perfect Christmas Gift or for use as Christmas/Birthday cards.
Keep an eye out for an order form in your child’s bag.
Just $13 for a pack of 8 or $12 each for multiple packs.
Orders must be returned to school by last day of Term 3 (Friday the 19 September).
A joint P&C and School fundraising effort.

**PREMIER’S DEBATING CHALLENGE FOR YEARS 5 & 6 INTER-ZONE FINALS**

On Monday, 1st September, the Summer Hill Blues debating team - Melissa S (Team Captain), Emily M, Linda L, and Olivia A - debated against Birchgrove Public School. It was our first regional debate.

Our topic was “That people under the age of 18 should be banned from competing on reality TV shows.” Our team was the affirmative and had to argue for the topic. Birchgrove had strong speakers, who were very convincing. Both teams displayed good sportsmanship and congratulated each other after the debate.

Summer Hill Blues won the debate. This means we will be competing in the Quarter Finals.

We would like to thank Ms Grenet for driving us and for organising everything. Also a big thank you to Grace K for always supporting us (as Reserve).

We look forward to our next debate - against Stanmore Public School.

LIBRARY NEWS

Thank you to all members of the Summer Hill Public School community for your wonderful support of our Book Week celebrations this year. Anna Fienberg’s inspiring author talks, along with Craig Smith’s dynamic presentations and the imaginative costumes worn to our character parade made celebrating Book Week lots of fun. Many thanks to Mr Dominic Timmins for doing such a swashbuckling job of running the character parade.

Congratulations also to the students and families who chose to connect to reading by supporting The Indigenous Literacy Foundation Great Book Swap this year. The sum of $105 was raised to help purchase books for children in remote indigenous communities. Participating Summer Hill PS students proved themselves to be very generous, both with their gold coin donations and their contribution of books to swap.

WRITER IN RESIDENCE K-2
Sarah Davis, Writer in Residence for K-2 students will commence her residency with Year 1 and 2 students next week. Sarah will return to work with Kindergarten students in Week 10.

ANNA FEINBERG - BOOK WEEK

For this year’s Book Week, Summer Hill Public School was privileged to have Anna Feinberg, an excellent and experienced author, visit our school.

Anna has written a lot of kid’s books, including the exceptionally popular ‘Tashi’ series. She talked about her experiences as an author as well as recounting and discussing excerpts from a selection of her books.

We then finished our session with questions about Anna herself and about being an author. We appreciate Anna giving up her time for us. We thoroughly enjoyed having her.

POINTS TO REMEMBER

Road safety

Key points to remember around schools

Driving and parking safely near the school

- School opening and closing hours are busy times for pedestrian and vehicular traffic outside the school.
- Always take extra care in 40km/h school zones, which operate on select school days.
- Park safely even if it means walking further to the school gate.
- Observe all parking signs. They are planned with children’s safety in mind.
- NEVER double park as it puts children at risk.
- Model safe and considerate behaviour for your child - they will learn from you.

- Slow down near the school crossing.
- At a supervised crossing, observe the directions of the school crossing supervisor.
- Always park and turn legally around the school.
- Avoid dangerous manoeuvres such as U-turns and three-point turns.
- Always give way to pedestrians particularly when entering and leaving driveways.
- Avoid parking across the school driveway or the entrance to the school car park.
- Using your school’s drop off and pick up facility will help keep all children as safe as possible during the busiest times of the school day.
- Avoid parking in or near the school bus bay.
